E306C	DRINKO® taste replacement cartridge	Fybrex® activated carbon fibre cartridge for the DRINKO kit

Declaration

ECOTERM S.R.L. declares under its sole responsibility that all materials and components in contact with water of the products listed above, in the assembled configuration in which they are placed on the market, **comply with Italian Ministerial Decree no. 174 of 6 April 2004**.

Conformity has been verified by overall migration tests in accordance with Annex III of the Decree, with results within the legal limits. The plastics in contact with water are certified by NSF, WRAS and DVGW for contact with drinking water.

This declaration applies to the products in their original configuration, with original DRINKO cartridges, used with cold mains drinking water.
